2021 Annual General Meeting

REGISTRATION COMMITTEE REPORT

The Registration Committee, a standing committee of the College, is comprised of the Registrar; a Council member, representing the public; a College member representing the administrative perspective and a College member who is a recent graduate who successfully completed the Physiotherapy Competency Examination (PCE). The Registrar is currently the Chairperson.

Last year Council approved a change of name that more reflects the work of the Committee. This year the following individual were part of the Committee: Rachelle Ryan, Raeleen Baggs, Rebecca Cahill, Kerri Smith, Michael Kay

The objectives of the Registration Committee are:

To make recommendations to the Registrar regarding issues arising from registration of members. Examples of issues include but not limited to Physiotherapy Competency Examination (PCE) failure, continuing competency issues or re-entry.

To research registration information and practices in other provinces and to maintain current knowledge of the PCE.

To provide input on policy development regarding registration of members.

Key items we have been discussing:

1. Criminal Reference Check to occur every 5 years – decision to hold at this time
2. Active Registration
3. Inactive to Active registration
4. Registration – late fees, timing reviewed. Consideration of changes to prorating fees.
5. *Implementation of Regulatory History form*
6. Temporary Registration: Cross Border Registration still in place
7. New MOU on Digital Practice being considered – debate, discussion and review.
8. Conditional registrants
9. Alteration of Conditions of Practice to allow virtual/indirect supervision

Considerable discussion is expected in future related to the Mentorship Program, Conditional Registration and Digital Practice.

Respectfully submitted

Michael Kay
